SUSAN CASTILLO

MESSAGE FROM THE STATE SUPERINTENDENT

Knowing who to call is just a computer mouse click away. The Oregon Department of Education produces an online school directory to facilitate communication in the K-12 education community.

The **2010-11 Online Oregon School Directory** is a listing of phone numbers, addresses and key staff people in all public schools and districts in the state, along with additional information about private schools, ODE staff contacts, and other educational institutions.

With several search features, it is faster and easier to use than a printed booklet—and saves precious resources. The school directory is updated throughout the year and is re-published monthly. However, the school directory is only useful if the contact information is current. In order to ensure up-to-date contact information for school districts, we ask that you use this [form](#) to update your school or district information and send to ODE at ODE.SchoolDirectory@state.or.us.

I encourage you to use the Oregon Department of Education's website as another resource this school year. You will find valuable information about the [Oregon Diploma](#); [resources for educators](#) such as a [searchable standards](#) tool that allows you to easily locate the content standards by subject area and grade; and [updates](#) on the latest issues affecting the K-12 education community. Click [here](#) to sign up for our monthly educator newsletters or biweekly [Superintendent's Update](#) newsletter.

Thank you for all the work you are doing in support of Oregon students. Working together, we can ensure that every student, every day is a success. Have a great school year!

Sincerely,

Susan Castillo
State Superintendent of Public Instruction

(3) Days on which an election is held throughout the state shall be school holidays only for such schools in which the sole schoolroom is used for election purposes.
